## Sudarshan Chakra

Outer Circle : Surya Chart  
 Middle Circle : Chandra Chart  
 Inner Circle : Birth Chart

Sudarshan Chakra represents the comparative positions of the planets in the Sun Chart, the Moon Chart and the Birth Chart simultaneously, from outer to inner circle respectively.  
 To study a house, consider the signs in all the three charts simultaneously.

## ~ Vedic Astrology ~

The Vedas are the foremost among all ancient books. All the classics of the world have been born out of the Vedas. The root verb of the word 'Veda' is 'vid' meaning knowledge. Through the classics of Indian astrology, one can easily acquire knowledge about God while learning about living beings. For this reason, astrology is considered to be the eyes of the Vedas. Thousands of years ago, the Saints who were knowledgeable about the past, the present and the future, through the power of their meditation and yoga, have described in detail in their astrological classics the characteristics, features, appearance and nature of the planets and their auspicious and inauspicious effects on the living and non living world. The depiction of the position of planets in the zodiac at the time and place of a person's birth is called the Janma Kundali or the Horoscope. The sign which was rising in the eastern horizon at the time of birth is called Lagna or the Ascendant. लग्ने व्यये च पाताले जामित्रे चाष्टमे कुजे।  
स्त्रीणां भर्तु विनाशः स्यात् पुंसां भार्या विनश्यति।।

5. According to Brihat Parashara Hora –

लग्ने व्यये सुखे वापि सप्तमे वा अष्टमे कुजे।  
शुभ दृग् योग हीने च पतिं हन्ति न संशयम्।।

*Mangala Dosha or Kuja Dosha occurs when Mars is placed in the first, second, fourth, seventh, eighth or twelfth house from the Birth Lagna.*

According to some ancient rishis, Mangala dosha also occurs when Mars is placed in the first, second, fourth, seventh, eighth or twelfth house from the Moon, Venus and the seventh lord.

According to classics –

लग्नेन्दु शुक्राद् दुःस्थाने यद्यस्ति क्षिति संभवः।  
तद्दशापाक समये दोषमाहुर्मनीषिणः।।

*When Mars is placed in a malefic house from the Lagna, Moon or Venus then the dasha of Mars may give inauspicious results according to sages.*

In general practice Mangala Dosha is considered from the Lagna and the Moon.

**Prashna : In the birth chart of Prashna Mars is placed in the twelfth house from the lagna while in the Moon chart Mars is placed in first house from the Moon. Hence Prashna is Mangalik from the Birth Chart and also Chandra Mangalik from the Moon Chart.**

## Results of Mangala Dosha

Mangala Dosha effects the married life of a person in many ways – it creates delays, cheating, hurdles and obstacles in getting married. After marriage, there is physical, mental or financial hardship for one of the partners or both the partners. It causes mutual disputes, allegations and counter allegations and may even lead to disintegration of marriage. If the Dosha is pronounced, one of the partners may remain ill or there may be untimely death of either one or both the partners.

In spite of this, one should not be scared of Mangala Dosha. Efforts should be made for a person having Mangala dosha to marry another person with Mangala dosha, because when the dosha is similar, it gets nullified and the couple leads a happy married life.

दम्पत्योर्जन्मकाले व्ययधनहिबुके सप्तमे लग्नस्थे । लग्नाच्चन्द्राच्च शुक्रादपि भवति यदा भूमिपुत्रो द्वयोर्वै ।।  
तत्साम्यात्पुत्रमित्रप्रचुरधनपतां दंपती दीर्घ-काला । जीवेतामेकहा न भवति मश्तिरिति प्राहुरत्रात्रिमुख्याः ।।

*In the horoscope of both the bride and the groom, if Mars is placed in the second, fourth, seventh, eighth or twelfth house from the Lagna, Moon or Venus, then due to equality, Mangala dosha is nullified. One attains mutual happiness, wealth, children, health and friends.*

कुज दोष वती देया कुजदोषवते किल । नास्ति दोषो न चानिष्टं दम्पत्यो सुखवर्धनम् ।।

*If a girl having Mangala dosha is married to a boy with Mangala dosha, the dosha is cancelled and there will be mutual happiness.*

## Remedies to Repel Mangala Dosha

To ward off the effects of Mangala Dosha following are recommended –

- One should fast on Tuesdays (sunrise to next day sunrise). During the day, consume liquids without salt like tea, coffee, milk, fruit juice and curd. In the evening, draw a triangle with red kumkum (roli) on a plate and worship with Panchopachara [red sandalwood, red flowers, incense (dhoop), lighted lamp and food consecrated to a deity]. Thereafter, only before sunset, one may consume wheat bread, ghee and jaggery (unrefined cane sugar).
- If the Mangalik Dosha is pronounced, then the Mangala Chandika Strotra should be recited daily for 21 times for 108 consecutive days. In the morning hours, one should sit facing the eastern direction, light a five stroked lamp and worship one's deity (Ishta) and the planet Mars(Mangala) with Panchopachara and then recite the following –

रक्ष रक्ष जगन्मातर्देवि मंगलचंडिके । हारिके विपदां राशे हर्षमंगलकारिके ।।  
हर्षमंगलदक्षे च हर्षमंगलदायिके । शुभे मंगलदक्षे च शुभे मंगलचंडिके ।।  
मंगले मंगलार्हे च सर्वमंगलमंगले । सदा मंगलदे देवि सर्वेषां मंगलालये ।।

### Result of Sadhesati

Since ancient times, there has been a general belief among the masses that the Sadhesati of Saturn is usually painful and problematic from the mental, physical and financial point of view. The moment people hear about Sadhesati of Saturn, they get worried and fearful. During the Sadhesati of Saturn the person may experience laziness, mental stress, disputes, problems due to ailments and enemies, losses due to theft and fire and death of elders in the family might occur.

Classics describe the results of Sadhesati in the following words –

कल्याणं खलु यच्छति रविसुतो राशौ चतुर्थष्ट मे व्याधि बन्धुविरोधदेशगमनं क्लेशं च चिन्ताधिकम् ।।

राशौ द्वादशशीर्षजन्महृदये पादौ द्वितीये शनिर्नाक्लेशकरोऽपि दुर्जनभयं पुत्रान् पशून् पीडनम् ।।

हानिः स्यान्मरणं विदेशगमनं सौख्यं च साधारणम् रामास्थिविनाशनं प्रकुरुते तुर्याष्टमे वाथवा ।।

*In other words, when Saturn in transit is in the fourth or eighth house from the Moon sign, it is a period for illness, quarrels with brothers, foreign stay, hardships and anxiety. During Sadhesati, Saturn in the first or second house causes ailments related to the head, heart and legs, fear from the wicked and hardships for sons and cattle.*

In general experience it is not seen that the entire period of seven and half years is painful. In fact, during Sadhesati, some auspicious events may still occur like, marriage, birth of children, promotion at work, business, victory in election and foreign travel.

#### Results of First Cycle of Sadhesati –

From (20-03-1990 to 17-04-1998)

The first cycle of Sadhesati of Saturn is extremely intense and during this period you may experience physical pain. There would be obstacles and hardships of various kinds. During this period of Sadhesati, there may also be some troubles to your parents.

#### Results of Second Cycle of Sadhesati –

From (24-01-2020 to 23-02-2028)

In the second cycle of Sadhesati, Saturn exerts mediocre influence compared to first cycle. During this period you succeed through physical struggle and labour. Despite mental unrest, your worldly progress continues. You may suffer separation or loss of parents or other elders in the family.

#### Results of Third Cycle of Sadhesati –

From (06-03-2049 to 07-04-2057)

In the third cycle of Sadhesati, Saturn inflicts extremely harsh results. During this period you may face tremendous physical hardships. There will be illness and even fear of death. During this period only fortunate persons survive.

## Results of the Dhayya of Sadhesati

It has been generally seen that out of the three Dhayyas of Sadhesati, one gives auspicious results. This can be decided according to the number of auspicious lines found in the Ashtaka and Sarvashtaka Varga of Saturn. Saturn gives mixed results when Saturn has 4 points in the Ashtakavarga and 28 points in the Sarvashtaka Varga. If the points exceed this number the results are auspicious and if they fall below this number they are inauspicious. If in the birth horoscope, Saturn is strong (exalted or placed in own rashi) or it is a Yogakaraka or it is the lord of the Rashi then the bad effects for the person are comparatively lesser than for others.

### Results during First Dhayya of Sadhesati –

First Cycle from 20-03-1990 to 20-06-1990 and from 14-12-1990 to 05-03-1993

Third Cycle from 06-03-2049 to 09-07-2049 and from 04-12-2049 to 24-02-2052

During this period Saturn transits in the twelfth house from Moon sign and has its full aspect on the second, sixth and ninth house. During the first dhayya, Saturn resides on the head. There would be fall in mental and physical happiness. There is a possibility of eye ailments or weakness of vision and use of spectacles. There may be sudden financial losses. There may be unwanted and extra expenditure. You may face financial problems. The expenditure will exceed the income. There may be a separation from the family. Domestic unrest may prevail. Father may suffer ailments. The relations with your father might get tense and fortune might decline a little. Work may be delayed or problems may arise. Efforts do not yield results. People are unhelpful and government officials may give trouble. Your interest in spiritualism increases. There may be fear of an accident. You may wander uselessly. You may also travel to distant places which may cause hardships. This position of Saturn is eighth from the fifth house, therefore is inauspicious for children.

### Results during Second Dhayya of Sadhesati –

First Cycle from 05-03-1993 to 15-10-1993 and from 09-11-1993 to 02-06-1995

Second Cycle from 29-04-2022 to 12-07-2022 and from 17-01-2023 to 29-03-2025

Third Cycle from 24-02-2052 to 14-05-2054 and from 01-09-2054 to 05-02-2055

During this period, Saturn travels in the Moon rashi and its full aspect falls on the third, seventh and tenth bhavas. Saturn is placed in the abdominal area during this period. Therefore there is a possibility of ailments in the entire middle part of the body. Physical energy is affected. The mind does not function and wrong decisions are taken. There may be disputes with brothers and with partners in business. One's spouse may suffer physical pain or there may be a quarrel with her. Financial problems persist. At the mental level, there is a strong rebellion. Useless fears cause anxiety. No work is according to one's desires and incomplete work makes one unhappy. Obstacles continue. Family and business life is unstable and some relative may die. Travels to distant lands may be undertaken, enemies may inflict harm and here may be separation from near ones. Diseases, loss of wealth, decline in social standing, shortage of friends and hurdles in work are the highlights of this period.

### Results during Third Dhayya of Sadhesati –

First Cycle from 02-06-1995 to 02-06-1995 and from 16-02-1996 to 17-04-1998

Second Cycle from 29-03-2025 to 02-06-2027 and from 20-10-2027 to 23-02-2028

Third Cycle from 14-05-2054 to 01-09-2054 and from 05-02-2055 to 07-04-2057

During this period, Saturn travels in the second house from the rashi and has its full sight upon fourth, eighth and eleventh bhava. In the receding Sadhesati, Saturn stays in the legs and therefore during this period the legs may suffer from ailments. From the physical point of view, there may be weakness. One may feel inactive and physically lazy. Happiness faces hurdles, useless disputes occur, unnecessary conflicts with relative arise and they may suffer either from a serious ailment or pain equivalent to death. Happiness is destroyed and position suffers. Expenses increase. Money comes but it is spent as soon as it comes. Lowly people give troubles. Due to its aspect on the eighth house, one's life span is influenced. Due to its sight upon the fourth house, domestic happiness, happiness of mother, vehicles and other physical comforts face obstacles.

## Life Interpretation Report for Prashna

There are relationship issues needing to be worked out in your life. Despite your own grace, beauty, refinements, you may lack confidence or have a belittling effect on potential partners, perhaps because of certain self-absorption. On the other hand, your high degree of cultivation makes you sought after and one of the most visible in the line for promotions. You have a deep well of feelings, and can care deeply, especially for children. You are highly conscious of women's issues and have a great affinity for the arts. You can bring confusion into formerly quiet or secluded communities. You sail the waters because of an urge for financial benefits or promoting your own family or communal values even in the face of native resistance. Threatening others with penalties and punishments you draw the same on yourself. Bad habits, unpleasant diet, the effects of addiction, can gang up to distract and divert you from getting to the real issues. Spiritual calm is the best defense. Saying nice things about people will get you far. Under any of your confusion are the longing to belong and the craving for something to believe in.

You have an expressive personality. You are charming. You are charismatic. You are friendly.

You are broad-minded. You feel compelled to work for a cause which is very hard to accomplish, or is by nature somewhat unrewarding.

You are hard working. You may be rather humble. You are conservative.

You have a sophisticated sense of aesthetics and moral conduct. You have a virtuous personality. You are noble but may occupy a place behind the scenes, getting little recognition. You are an idealistic person and often prefer to dwell on pleasant thoughts rather than the hard reality. You have a life philosophy, based on fairness, optimism, beauty, and peace. You are carefree, generous, helpful, and spiritually inclined. Being intuitive and sensitive, you appreciate things that are of true quality. You are clever. You are a balanced individual.

You are energetic. You seem perennially youthful and are always on the go. You are self-confident. You are bold. You are an enterprising person. You may take effort to maintain your individuality.

You will overcome your difficulties and troubles. You will rise to any challenge.

You influence others attempting to practice piety, although your motives involve a need for real transformation from the depths.

You may lack discipline.

You may have a tendency to brag too much. You can hide a strong egocentric attitude behind a friendly facade. You have a natural instinct to conserve. You often approach friends for advice but later make no use of it. You are strong and firm in your purpose.

You may be secretive. You are a sober and very private person. What you really want is often kept secret to avoid being opposed or challenged by others. You can be cunning. You can be controlling to the point of being a tyrant. Your dominant personality makes it hard to get along. You may be somewhat cynical about society's laws or established religion.

You are prone to anger. You are soft spoken and musical. You tend to keep anger for yourself, which can cause dramatic releases when it builds up to a critical level. You can be self-repressive, or passive and defensive.

You are a timid and a vulnerable person fearful of being victimized and humiliated. You are vulnerable and anxiety prone. Your level of energy will sometimes be at a low, and lack of assertiveness can keep you stuck in a situation where you do not want to be. You are reticent, undisciplined, and unable to project yourself. You could be the retiring type.

You are hard to calm down. You may be too pushy, too mouthy, and too restless for quieter, more introverted people.

You may need to put attention on not becoming cold, vindictive, and judgmental. It can be challenging to direct your energy in a focused way to accomplish your goals.

You feel happy to have the family religion you have been born with. If you are service oriented, you will in time acquire contentment and comfort.

Your body is large. You have broad shoulders. You have been bestowed with a strong physique. You are of a medium to tall stature. You are fleshy. You tend to be a little chubby. You have thick hair. Your hair may be dark brown. You have a full face. You have an oval face. You have a sanguine complexion. You have a swarthy complexion. You have lovely eyes. You may have some deep lines giving character to your face. Your face has a somewhat stern expression most of the time.

Your appearance should be good and reflective.

Your speech is soft and comforting. You speak softly, but often without effect. You would rather use fewer words with more meaning. You express yourself openly and easily and you are open-minded towards new ideas and concepts.

There is a touch of professionalism to your speech; you can speak with authority.

You are quiet, modest, and soft-spoken. Your speech tends to sound more serious than intended. You are tactful and circumspect in speech, being well aware of the power of speech to wound. You express yourself in a somewhat restricted and careful manner. Superficial chitchat is not your style.

You might speak only of 'enlightenment' and less common or higher things.

In some ways, you are quite eccentric and say unusual things. You don't have a strong inclination for expressing yourself openly, perhaps due to lack of confidence in speaking or you have a difficulty in expressing yourself in a concrete way. It might be hard for you to express yourself openly and you might harbor the fear of being misunderstood if you do.

You must watch your speech as you often have a tendency to be negative or argumentative. Your facial expressions may be overly serious and you may look older than your actual age. Bad speech causes trouble. When you express yourself, be careful to be truthful at all times.

The best expression of your mind might be in the service of the common good, in sacrifice to others.

You might find your real mental strength. You have wisdom concerning healing and the reasons why people act the way they do. You have an intuitive mind. You are always weighing the odds and changing your mind.

Your imaginative power will be very fertile but acting assertively to realize your dreams is not your strongest side. You are inventive, ingenious, philosophical, original, and scientific. You are a visionary. You have innovative, unconventional, and original ideas and can be very inventive. You are a visionary, able to facilitate the ending of disputes, litigation, and warfare. Your mind will go back and forth on issues constantly.

Your way of thinking is not easily exposed to others. Even if you want to, it is hard for you to make your mind understood by others. Mentally you might get spaced-out at times, but sometimes you may get an idea that seems far-fetched but with time turns out true.

You may often find yourself mentally confused and worried but not show it. Your thinking can be dry and devoid of sensitivity to the responses of your hearers. You are loving, but at times, you can become confused or make a wrong judgment. There may be a tendency for narrow-mindedness and pessimism. Spending too much time alone may lead to suffering from uneasy emotions and mental distortion. You tend to be somewhat reclusive, keeping your feelings and opinions for yourself.

At times, you become extremely irritated.

You are subtle in your perceptions and pick up unseen currents of emotions and ideas that more outgoing individuals miss. You want to give to everyone and can exhaust yourself pouring out your energy without getting adequate returns or providing for your needs for rest and relaxation. You keep your emotions guarded. You may have very soft and sensitive emotions and you may suffer from emotional difficulties. Although at times you may have a hard time putting a finger on it, you can feel that you are a part of a bigger whole, something that transcends your individuality. You may feel sometimes that major progress in life is somewhat slow to come.

You can be very mixed up emotionally. You may feel that people do not hear or attend to what you say. You may be confused about the purpose of your life. One of your biggest challenges is your sense of vulnerability, which makes you feel like hiding and avoiding any kind of confrontations.

You may be emotionally restless and flickering.

You are very sensitive to financial losses, which are likely to come from time to time and sometimes seem like an unchangeable situation.

You have a good memory, and are rational, efficient, idealistic, progressive, and accomplished.

You think ahead of your time and have unusual ways of functioning. You can be proud of your intellectual findings.

You tend to plan your career carefully, including education and other related matters.

You may have good teachers but they seem to not be there when you need them. Your teacher may not be in your life for very long. You may do extensive research.

The study of philosophical or religious topics is enjoyable to you. You are inclined towards occult sciences. Higher studies are enjoyable for you, especially in the arts. There may be interest in archeology or anthropology. Education as a basis for a successful career will come easily to you.

There is likely to be some interruption or change that results in your not finishing the entire educational period as planned. Attempts to acquire proper education might have proven futile in your life, and if you get one you might have to travel far to get it. It might be hard for you to acquire higher education and spiritual knowledge, and even though you may obtain it, the process of gaining it might prove quite irritating and annoying. Your education may be different from the average pattern. Gaining higher education may be a source of suffering for you, and the same applies to religious studies, philosophy, and ethics. It feels as if all your attempts to expand your horizon, to achieve higher education or higher spiritual teaching, get diffused and aimless when you try to pull them through. Education may be difficult to attain, either from your own mental limitations or from financial shortage. You may feel frustrated when you pursue a higher education, and you may feel unjustly criticized by your teacher.

You have the desire to investigate all knowledge whether ancient as in astrology, the occult, metaphysics, or modern technology. You may have a savage thirst for knowledge that deprives you of friends and people who could share your thoughts. Though you are interested in acquiring ancient knowledge, you may find that at times you are jealous of other scholars. You are knowledgeable in art, crafts, music and literature, etc. You will get knowledge about hidden and profound areas of life. There will be some knowledge of chemistry or explosives. You have knowledge of and talent in natural medicine and herbs.

You enjoy learning. You are working at overcoming the domination of the five senses and eventually will succeed. Your learning may come from a foreign culture.

You can easily overcome obstacles. You do have an ability to overcome obstacles once you break out of the inertia. When it comes to achieving your goals, you will use methods of negotiating and mediating, and prior mental consideration. You are skilled at fitting in with unusual groups of people. You have a good ability to give other people a sense of responsibility or to straighten up a group of undisciplined people. You have excellent communication skills that you can apply well in the area of the profession.

You are able to make proper judgments concerning human relationships. Your social skills are well developed and balanced.

Your life seems to go through a series of transformations, giving you deep insights but also makes you wonder sometimes how long you will be able to deal with it. You are able to read others faces and understand their character from their faces.

You are skilled and able to balance a budget well. You may have good abilities as a financial consultant. You will be good at dealing with money that belongs to a partner or others you are associated with. Turning lost or discarded property into something valuable is a special ability you have. You have the ability to heal yourself and others. Healing skill may be seen: perhaps as a massage therapist, physical therapist or even as a surgeon. You may have an ability to make medicinal substances, healing potions or working with chemicals.

You may be eloquent, yet be insecure about showing your speaking and teaching abilities. You may have hidden talents to aid you in your travails

You love a bargain and prefer to buy used items rather than new ones. You love digging wells and dealing with the land in some way.

You have a gentle and forgiving attitude towards enemies.

You may not be congenial socially and may seem lacking in charm to your spouse's relatives. You can go overboard telling others your troubles, attempting to gain sympathy. You worry a lot but act as if everything is fine. You have religious inclinations, which could be expressed as respect for other religious or spiritual practitioners.

You have healthy moral standards and you attempt to be righteous in conduct. You will perform notable and distinguished acts and gain respect of many. You are helpful to those who belong to your own group. You have a high sense of ethics and are keen to help those less fortunate than you are. You can easily sacrifice your efforts and time by volunteering help and assisting those who are in need. You will be willing to help those in need and show mercy. You are sympathetic and supportive of those less fortunate than you. Your energy goes into philanthropic pursuits, looking for the good of society as a whole. You are magnanimous and big-hearted, looking out for the best interests of those you deal with. You indulge in selfless acts of kindness and charity. You are respectful.

You may be disrespectful toward elders and superiors. It is not your nature to take initiative in nurturing others. You can adhere to your positions rigidly and be lacking in sympathy for others. You can be untruthful or cunning to achieve your ends.

You might be constantly angry. You sometimes cast blame on others. You may be harsh or cruel. You easily get involved with activities that really serve no purpose in the progress of your life or that of others and sometimes you incur some blame for it. You believe the ends justify the means and can sacrifice loyal servants or followers to accomplish your goals.

You like to live close to your roots.

You have an interest in espionage, even if just in books or movies about spies. You love all that is hidden and unknown - whether in the realm of science, religion, mysticism, philosophy, law or business. You are likely to spend time in foreign countries. You are tuned in to the basic

vibrations of one or more foreign cultures. You have an interest in philosophy, law, and spiritual knowledge. You are interested in mysterious things. You may be interested in alchemy, magic, or yoga. You like exploring the mysteries of life but to express those thoughts in the format of religious or philosophical terms might make you feel vulnerable. You choose to keep those experiences to yourself. You are interested in knowing about past lives. There is a tendency to wander about in unknown areas.

You tend to keep your activities private, and prefer to spend a significant amount of time doing things on your own. You enjoy spending time alone or away from the mainstream. You have an active dream life. You like to sleep but may suffer from insomnia. You are interested in gambling as a way to escape from reality.

You enjoy film and music.

You love traveling in expensive, impressive, fast, foreign cars. You are likely to have a love for religious or spiritual practices, and a deep love for the truth about everything. Meditation has great appeal, you think much about after life, and may spend time in spiritual retreats. You are freedom loving and the relationship with your spiritual guides will be stormy at times. You like to think about the beauty of the higher order in life, and will find some way to express a devotional religious side. You understand more about and have less fear of death than the average person.

You may dislike religion and consider church officials hypocritical. The area of higher knowledge, philosophy, or religion might feel uncomfortable to you. You can be defensive and conservative financially because of your extreme dislike of loss.

You tend to give yourself certain restrictions in what you eat and you sometimes may have a reason to go on dietary regimens. You are satisfied with whatever foods come your way. You tend to eat irregularly and not keep to the schedule set by your household. You need to be careful to avoid eating food that is tainted or less than fresh.

You may lack enough physical activity. You may develop diseases that are hard to diagnose. You may have health difficulties that stand in the way of happiness.

You are prone to catching colds, having problems with your knee joint, low circulation and could have the possibility of an accident. You can be anxious and physically ailing. You may suffer from liver or digestive difficulties. Your sensitive digestion and acidity related ailments

might trouble you. There may have allergies or you may be overweight. The liver needs special preventive care; avoid foods that strain and harm it. Eye problems- usually the left eye, chest problems, or blood problems may be found. There is a chance of some eye disease, especially the left eye, and possibly troubles with ears or nose. Your teeth are small and tightly arranged. Your teeth may be stained or discolored. You may be susceptible to ear complaints. You may suffer from ailments of the reproductive organs.

You will live a long life.

Be very careful to avoid accidents while traveling, driving, or skiing.

It is hard to explain your personality or philosophy to your parents, as it seems unconventional to them.

Your mother can talk about anything! She is a determined thinker bent on achieving her projects and getting the message out. She is a skilled and tireless persuader carefully articulating and discriminating multiple viewpoints. Gullible and genial, your mother loves mind and word play and employs charming logic to make her case known. She does not think enough about the future because she is so busy loving multiple things in the present. She is a good public speaker and a promoter of higher knowledge. Her partner is likely to be a humanist with a large variety of skills. It is likely that her fortune has improved after marriage and she realized that all the work of her fathers, teachers, and elders to prepare her for life had not been without rationale. Both shrewd and fun loving, she is devoted to the ever-creative life of the mind. Your mother's vision can be somewhat narrow-minded, but she has the potential to widen her horizon and rise to great heights. Your mother's imagination is captured by the glory of the past or the promise of the future, keeping her heart elsewhere. Your mother is interested in words, reading, writing, speech, media, computers, and communications. Boxes, chests, receptacles, and any gadgets with contents intrigue your mother.

Your mother is very clever at getting her work done through and by others. In argument your mother is most formidable, because she can skip from one facet of a subject to another seemingly at random yet never losing sight of the main argument, which she returns to after having led her opponent through devious paths and into traps.

Living in a mental world, your mother shrinks from physical contact and injury and can be intimidated by a show of violence. Your mother's health can be unstable, with fevers or injuries often involved. Your mother tends to be impatient and overly anxious to experience results of work undertaken. Meeting people, traveling here and there are your mother's diversions. Your mother's personality has strongly stamped you. You are independent from your mother and somewhat more involved with the interests of your father. Your mother may feel troubled by

your activities. Your mother may have a vaguely disapproving attitude toward you.

Your father is an explorer of the depth, torn between the desire to probe and comprehend everything and the pressure to move on quickly completing campaigns as rapidly as possible. Mentally vigorous, sometimes blunt, crude, or irritable, he is interested in gothic tales, occult and esoteric knowledge and all areas where there is the attempt to communicate the unspeakable. This may lead him to involvement with the marketing of health remedies, insurance-related products, or mystical information. His struggle is to create an environment where people can be rejuvenated and restored. Your father's passions demand an all or nothing response. He operates from deep instincts and has a thirst for action and drama. He is aware of forces beyond his control having a hand in his fate in love and other matters. Loyalty, bonding to his family of birth and remembrance of the legacy of his ancestors are important. Infatuations can be hard to shake off. Your father has a commanding appearance. Your father has extraordinary and intense willpower and as a result, he can overdo many things. Your father may have attained good success in life. If someone hurts your father, he does not forget it easily. Your father thrives on having tasks to do and stagnates when idle. Your father is probably fascinated by mystery, para-normal forces, unknown powers, death, astrology, tantra-mantra-yantra, and the deeper realms of science, philosophy, and psychology. Your father ponders over the mysteries of reincarnation and longevity.

Your father's profession might be linked with medical science. You, or your father may have studied medicine, law, or some method of investigation - scientific, legal, or accounting.

While outwardly your father appears to be liberal and tolerant, inwardly he is suspicious. Too much introversion can lead your father's thoughts to become tortured or almost pathological. Your father holds off from interfering with others although sometimes that causes him to miss opportunities to help.

Liking the use of his martial force on a physical level, your father is prone to the use of force, even in fun.

Your father searches out the best way to exploit friendships and his relations with the public. The worst things may happen to your father when he allows himself to become completely passive, in a kind of fatalistic surrender. Your father is not idealistic but neither is he mindful of obstacles. Your father needs to be very alert to stay on top of the potent energies within him. Learning to allow losses to occur and refraining from exacting revenge, your father will see himself regaining all that he loses.

You may be separated from your father's home or contact due to forces beyond your control that may come from realms of deep psychological transformation or from embarking on a quest that he cannot follow you on. Your father may not be in your life for very long.

Your early family life was somewhat cool and relationships were not very close.

Support from your family did tend to be reliable, but perhaps not very extensive. Circumstances may separate you from family members. You may be separated from your

family's values, which seem outmoded or unsuitable to you. There will be some unhappiness and a lack of nurturing in your family life. Your family life has some dissension. You can be tyrannically controlling of your family and assistants. There may be skeletons in your family closet. Health problems may recur for some of your family members.

You may be very close to one younger sister; indeed, you may meet one or more lovers through a sibling.

There may be a loss caused by a brother. You can be at odds with your siblings or colleagues. Your friends and an elder sibling, if you happen to have one, have to go through stormy experiences, which you may be able to help them through. You should be wary of the company you keep - never do business with older siblings or friends with questionable characters. One brother might lead a reclusive lifestyle or be on a spiritual path.

You may live with older siblings. Your older sibling might be an aid in bringing you new resources. Older siblings suffer problems. You may not see eye to eye with an elder sibling.

You get along better with your younger sibling if you have one. Younger siblings may resist your involvement in their affairs.

On your mother's side, the family is dealing with some challenges. You may have a loss or trouble in your maternal grandfather's family. Your uncle is very spiritual or is a doctor.

You are romantic. You are easily captured by beauty and are romantic and emotional in the matters of love.

You may put out money and energy in your pursuit of the opposite sex's company and you may lose respect and assets due to your bad habits of indulgence. You can be deceived or deceive in love.

Your actions are driven towards sensory satisfaction rather than moral or spiritual values. You have strong cravings for sex, which helps your marriage stay stable.

You have a vigorous and much-enjoyed sex life. Sex is enjoyable and soothing for you. You may waste your resources, including your sexual energies.

You are deeply involved in your partner and may spend a lot of time and money on him/her. Marriage has its share of difficulties.

Sometimes you project frustrations on those most close to you, especially on your spouse. You show your love to your spouse by attempting to control him/her. You are likely to get close to your spouse's family.

You will benefit from your spouse, both in affluence and wisdom although marriage and romance will not be without serious storms. Your spouse may be involved in your career. It is quite likely that you meet your spouse in a workplace and the marriage could be oriented around work, status, success, and reputation.

The progress of your career is the most important issue in your marriage.

Your wife is neat and pulled together. Despite an ideal of doing good to others, your wife can't help evaluating her service from the standpoint of good or bad effects on her own smaller self.
